Family Skills

The Family Skills program supports parents and carers in strengthening family relationships and developing a better understanding on how to effectively support children and young people.

Individual Counselling

Includes 6 to 12 one-on-one sessions with a focus on increasing parental capacity and connection between parents or carers and their children.

Group Programs

Group has a maximum size of 12 participants. The following topics are held throughout the year:

Seasons for Growth

A six-week gender specific group to understand and effectively manage strong emotions.

Working with Strong Emotions for Women / Men

A four-week gender specific group to strengthen self-care and overall wellbeing.

Resilient Mums / Dads

A four-week mixed gender group to effectively navigate experiences of change, loss and grief.

Navigating Parenting

A four-week mixed gender group to explore parents' roles in supporting children's needs and strengthening family relationships.
