

Weetangera Primary School Newsletter Term 4 week 1

We welcome parents, carers and their children to visit our library in the morning to share a story with them before school. The library is available from 8:30 to 9:00am. Please note that this area does not have a staff member on duty and as such only students with their parents/carers should be in the library.

We also welcome families and students to see our new collection of dual language books which have been recently added to our collection. A special thanks to the P & C for assisting in the funding to purchase these books. We will continue to add titles and if there is a language you would like to be added or have further books in, please let me know.

The P & C also assisted in purchasing additional wordless picture books to our collection. So next time you visit the library you may like to delve into one of them.

Scholastic Book Fair

This term we are hosting a Scholastic Book Fair from Tuesday 28 October to Friday 31 October. You are invited to attend before school (8.30-9.00) and after school (3.00-3.30) on these days. Purchases can be made with cash or card.

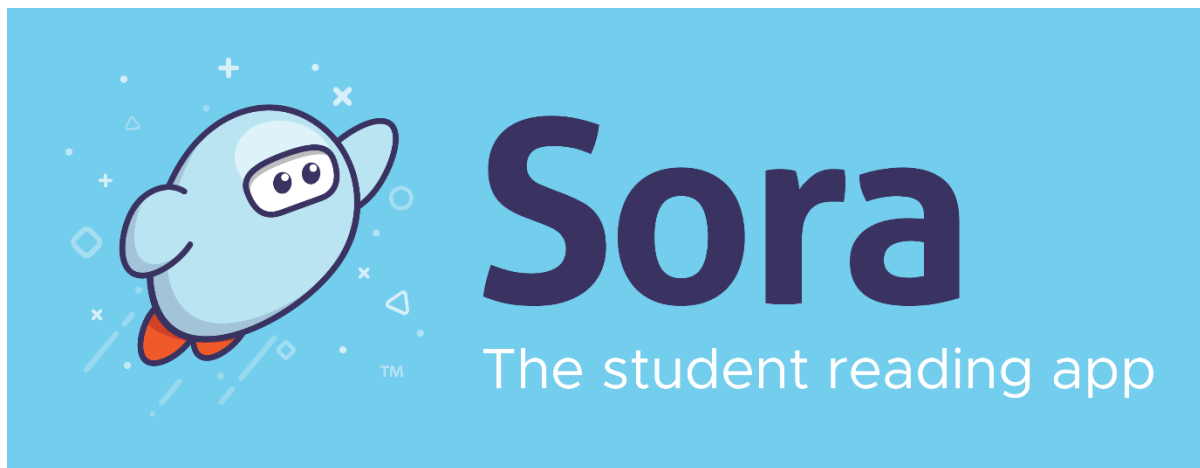

Scholastic Book Club

Issue 7 of Scholastic Book Club is now available, and all online orders are due by 3rd November.

Electronic Books

Students also have access to electronic resources such as e-books and audio books. E-books and audio books can be accessed through the Sora link on the Digital Backpack <https://backpack.ed.act.edu.au/> or through the Sora app <https://soraapp.com/>

Happy reading,

Stephen James
